General Permission Note

Dear parents and carers

Batemans Bay High School students are given the opportunity to participate in a wide range of activities to complement learning undertaken in their normal classroom environments. This may require students to leave the school grounds during class time in order to access a facility or resource not available within the school. Examples could include walking to Corrigan's Beach and surrounds, local businesses, council facilities and sporting venues. Students are supervised at all times by their classroom teacher in such situations.

To give approval for your child to attend these activities, please complete the general permission note below and return it to the school office. You may use this single note for all members of your family. This note will be issued upon new enrolment and suffice for the period of time your child is enrolled at BBHS. If you wish to change the status of this permission, you will need to contact the school.

Students without permission to leave the school will be set an alternate task to complete at school under the supervision of a teacher whenever their class is on an excursion.

You will still continue to receive separate excursion information and permission notes whenever your child is participating in an activity scheduled outside normal class time or where activities require specific consent.

If you have any queries, please contact the school on 44783600.

Yours faithfully,

Mrs Paula Hambly
Principal

General Permission Note

I hereby give consent for my child to walk to local venues to participate in school activities during class.
