Batemans Bay High School Mobile Phone Exemption Request

At BBHS we have implemented a Mobile Phone Policy (refer to website) that restricts student access to Mobile Phones throughout the school day. No un-pouched device is permitted from roll call through to the end of the day or at any school activity offsite during school hours unless part of a specific learning experience (approved by the class teacher) or for students that have an approved exemption for required phone use.

Please note exemptions will only be approved for medical reasons as supported by medical advice and where no other option is available. When exemption has been approved the student is allowed to use their device for the purpose of the exemption only. They should not be using their mobile phone during the school day for any other reason. Exemption will be reviewed by the Senior Executive.
